

FFA JACKET Order Permission

It is that time of year that we need to order FFA jackets. Each student is able to order an FFA jacket at a cost of \$62.50 this includes and FFA tie or scarf. Jackets are required when we attend activities that require our students to be in official FFA dress. It is not mandatory that your student order a jacket we do have a few extra jackets at school, but there is no guarantee we will have their size. I have told your student that if they are going to be involved in FFA through out high school it would be a wise investment (but not required). This permission slip authorizes us to order them a jacket. The jackets will need to be paid for at the time of ordering, if you need a few more days just have your student communicate with us at school. We have an Alumni Association that can assist with financial needs. If your student wants a jacket we will try and make it happen!
