

Livestock Skill-A-Thon

Livestock Skill-A-Thon is a fun team-based competition taking place in the fall.

The competition includes:

Meat, wool, hay, and livestock judging
Meat, equipment, feed, and breed ID
Written test (Team and Individual)

Livestock Skill-A-Thon is a great resource for those interested in learning more about the animal production side of agriculture as well as those who want to practice and further develop their skills.

NorthWood FFA invites you to participate in a great program for open to Freshmen through Seniors of all skill levels.

Official dress is not required for District and State contests.
