

Vet Science CDE

Vet Science CDE is a team contest focusing on animal health and its role in agriculture.

The competition includes:

Written test

Skill stations

Equipment, breed, and parasite ID

Team skit

This competition appeals perfectly to any members interested in becoming a veterinarian, a veterinary technician, learning about animal production and health, and those who simply love animals!

NorthWood FFA looks for to see strong teams with dedicated members.

Official dress is required for this competition.
